Subject: Permit Review Status, Solar Resources Mine, M/003/030, Box Elder
County, Utah

Dear Mr. Colman:

On May 18, 2004, the Division received your large mining plan for the Solar Resources mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30 days or so. We appreciate your patience and understanding in this regard. Please contact me or Lynn Kunzler, lead inspector, if you have questions or concerns with this proposed review schedule.

Sincerely,

Joelle Burns
Minerals Secretary
